ADMINISTRATION RECOMMENDATION

This item was approved by City Commission on First Reading on September 11, 2013. The Administration recommends adopting the resolution on Second Reading.

FUNDING

Funding to be budgeted for the FY 2013/14 operating budget for the South Beach Local (SBL) in Miami Beach in the amount of \$1,287,000 as follows: FY 2013/14 People's Transportation Plan (PTP) Funds in the amount of \$1,200,000 and FY 2013/14 South Beach Concurrency Mitigation Funds in the amount of \$87,000. Funding to be budgeted for FY 2013/14 administrative and technical assistance in the amount of \$301,000 from FY 2013/14 PTP Funds.

BACKGROUND

On November 5, 2002, Miami-Dade County voters approved the levying of a one-half of one percent discretionary surtax on transactions occurring in the County that are subject to the state tax imposed on sales. This surtax is known as the Charter County Transportation Surtax. Twenty percent (20%) of the proceeds of this surtax are to be distributed directly to municipalities on a pro-rata basis. These funds are known as People's Transportation Plan (PTP) Funds for use on local transportation and transit projects. The City entered into an Interlocal Agreement with Miami-Dade County on August 13, 2003 in order to receive its pro-rata share of the County's PTP Funds. Pursuant to the Interlocal Agreement, a minimum of 20% of the City's PTP share must be allocated specifically for transit projects. If not used for transit services, the 20% share of PTP funds would need to be returned to the County.

ANALYSIS

South Beach Local Operating Budget

On June 8, 2005, the City Commission adopted Resolution No. 2005-25934, which authorized the execution of an Interlocal Agreement (ILA) with Miami-Dade County for the operation of a bi-directional transit circulator service in Miami Beach to be known as the "South Beach Local" (SBL). The SBL service commenced on September 25, 2005 and replaced both the City's Electrowave Shuttle Service and Miami-Dade Transit's (MDT) Route W, serving the entire South Beach community. Under the terms of the Interlocal Agreement, MDT became the provider of bus shuttle services on South Beach in lieu of the previous provider, the Miami Beach Transportation Management Association.

MDT has provided an expanded level of service at significantly less cost to the City as a result of the City and County combining and coordinating transit resources instead of competing for the same ridership. The partnership with MDT allows the City to comply with the requirement of the PTP Surtax to expend a minimum of 20% of the City's PTP share on transit purposes.

On October 19, 2011, the City Commission adopted Resolution No. 2011-27773 approving a revised Interlocal Agreement between Miami-Dade County and the City for the continued provision of the South Beach Local service operated by MDT. Under the provisions of the current Interlocal Agreement executed on January 2012, Miami-Dade County and the City agreed to the following new terms and conditions:

1. City will maintain the current level of funding contribution of \$1,213,121 for operating assistance in the initial year.
2. MDT will contribute the balance of operating and maintenance funds in the amount of \$1,938,879 in the initial year.
3. MDT will maintain the current headways of 13 minutes during the peak hours and 20 minutes during off-peak times.
4. MDT will continue service to Belle Isle.
5. City's contribution will be adjusted in subsequent fiscal years in accordance with the Miami-Ft. Lauderdale CPI Transportation Index or 3%, whichever is less.
6. Service will terminate at midnight rather than 1:00 AM due to low ridership during that time period.

PTP Administrative and Technical Assistance

Pursuant to Miami-Dade County Code Section 29-124 (Ordinance 02-116), up to five percent (5%) of PTP funds received may be budgeted for administrative assistance (See Attachment A - Ordinance 02-116). An unlimited amount may be budgeted for technical assistance.

Administrative and technical operating expenditures in the amount of \$301,000 to be budgeted with PTP funding are depicted in Attachment B - "FY 2014 PTP Operating Budget".

A percentage of the salaries of the Public Works Transportation Division staff qualify as administrative and technical assistance. Administrative assistance provided by the Transportation Manager includes but is not limited to the following responsibilities: overall management of PTP funding; allocation of PTP funding to the various projects; capital budget preparation; review of all PTP documents; attendance at PTP workshops and meetings at Miami-Dade County; representing City of Miami Beach on transportation boards committees at the state and local level and coordination with various state, county, and local agencies on all

PTP funded projects. Technical assistance provided by the Transportation Manager includes but is not limited to the following responsibilities: overall management of all PTP projects, including the Atlantic Greenway Network Master Plan Update, the City's Transportation Master Plan, and the North-Middle Beach Circulator Project; review of studies, plans, and other documents on all PTP funded projects.

Administrative assistance provided by the Transportation Coordinator includes but is not limited to the following responsibilities: assisting the Transportation Manager with managing PTP funding; preparing all PTP documents including the Five Year PTP Plan, Quarterly Reports, Commission items, internal memos, Letters to the Commission, and correspondence to Miami-Dade County; assisting with Miami-Dade County's audit of PTP funds; tracking all PTP fund expenditures; tracking PTP revenue on a monthly and yearly basis; and preparing reconciliations of PTP funds. Technical assistance provided by the Transportation Coordinator includes but is not limited to the following responsibilities: assisting the Transportation Manager with managing PTP funded projects; reviewing plans and other documents on all PTP funded projects; coordinating with various state, county, and local agencies on all PTP funded projects; and development of design plans for PTP funded projects.

The salary figures and percentages indicated in the Fiscal Year 2014 PTP Operating Budget (Attachment B) are directly in support of the PTP program.

FY 2013/14 PTP and Concurrency Mitigation Fund Budgets

The total projected amount of PTP funds to be budgeted in FY 2013/14 is \$3,230,000, of which \$1,501,000 is for operating expenses (for the South Beach Local and administrative and technical expenses) and \$1,729,000 is for capital projects (to be allocated via a separate Commission Resolution). The total amount of Concurrency Mitigation Funds to be budgeted in FY 2013/14 is \$87,000 for operating expenses associated with the SBL service. These budgets are itemized below:

Total FY 2013/14 PTP Budget:

\$1,200,000	South Beach Local Circulator Operating Expense (To be budgeted via this Resolution)
\$ 301,000	Administrative and Technical Expenses (To be budgeted via this Resolution)
<u>\$1,729,000</u>	<u>Capital Projects (To be budgeted via separate Resolution)</u>
\$3,230,000	Total FY 2013/14 PTP Fund Budget

Total FY 2013/14 Concurrency Mitigation Fund Budget:

\$ 87,000	South Beach Local Circulator Operating Expenses (To be budgeted via this Resolution)
\$ 87,000	Total FY 2013/14 Concurrency Mitigation Fund Budget

CONCLUSION

The Administration recommends that the Mayor and City Commission adopt the Resolution approving the final budget of \$1,200,000 from FY 2013/14 PTP funds and \$87,000 from FY 2013/14 South Beach Concurrency Mitigation Funds to fund the operating budget for the South Beach Local in Miami Beach; and further adopting the final budget of \$301,000 from FY 2013/14 PTP funds for administrative and technical operating expenditures, as part of the five percent (5%) allowable for administrative assistance and technical assistance. The remaining \$1,729,000 in PTP funds would be allocated to Capital Projects via a separate Commission Resolution.

reconsidered recommendation of the Trust. The foregoing notwithstanding, the list of County projects contained in Exhibit 1 may be changed as a result of the MPO process as mandated by federal and state law.

(e) No surtax proceeds may be used to pay the costs of a contract awarded by action of the County Commission until such action has become final (either by expiration of ten days after such action without veto by the Mayor, or by Commission override of a veto) and either: I) the Trust has approved same; or, II) in response to the Trust's disapproval, the County Commission re-affirms its award by two-thirds (2/3) vote of the Commission's membership. The bid documents for all County contracts funded in whole or in part with surtax proceeds shall provide that no award shall be effective and no contractual relationship shall arise with the County unless and until approved by the Trust or re-affirmed by the County Commission as provided in this subsection. The foregoing notwithstanding, awards of contracts for services in support of the administration of the Trust or in support of the Trust's oversight function shall not require County Commission or Trust approval, so long as the individual contract amount does not exceed one thousand dollars (\$1,000).

(f) On a quarterly basis, the Executive Director of the CITT shall submit a written report to the Commission, the Mayor and the Manager of all expenditures made pursuant to Section 29-124 herein.

(g) Twenty percent of surtax proceeds shall be distributed annually to those cities existing as of November 5, 2002 that meet the following conditions:

(I) That continue to provide the same level of general fund support for transportation that is in their FY 2001-2002 budget in subsequent Fiscal Years. Any surtax proceeds received shall be applied to supplement, not replace a city's general fund support for transportation;

(II) That apply 20 percent of any surtax proceeds received to transit uses in the nature of circulator buses, bus shelters, bus pullout bays or other transit-related infrastructure. Any city that cannot apply the 20 percent portion of surtax proceeds it receives as provided in the preceding sentence, may contract with the County for the County to apply such proceeds on a County project that enhances traffic mobility within that city and immediately adjacent areas. If the city cannot expend such proceeds in accordance with either of the preceding sentences, then such proceeds shall carry over and be added to the overall portion of surtax proceeds to be distributed to the cities in the ensuing year and shall be utilized solely for the transit uses enumerated in this subsection (II); and

(III) Surtax proceeds distributed amongst the existing cities shall be distributed on a pro rata basis based on the ratio such city's population bears to the total population in all such cities (as adjusted annually in accordance with the Estimates of Population prepared by the Bureau of Economic and Business Research of the University of Florida) annually to those cities that continue to meet the foregoing conditions. For purposes of the foregoing, whenever an annexation occurs in an existing city, the number of persons residing in such annexed area at the time it is annexed shall be excluded from all calculations. Increases in population in areas annexed over and above the population in such area at the time of annexation which occur after annexation shall be included in subsequent years' calculations.

(IV) that do not expend more than 5% of its municipal share of surtax proceeds on administrative costs, exclusive of project management and oversight for projects funded by the surtax. Administrative costs shall be defined as overhead expenses which are not readily attributable to any one particular project funded in whole or in part by transit surtax funds.

(h) Newly incorporated municipalities shall have the right to negotiate with the County for a pro rata share of the sales surtax, taking into consideration the neighborhood and municipal projects identified in Exhibit 1, as amended, within the boundaries of the new municipalities. The preceding sentence shall not affect the twenty (20) percent share provided herein for municipalities existing on November 5, 2002.
